UNDERSTANDING YOUR RECORD /INFORMATION:

When you begin services with Boys Town, a record is created. This record may include personal information about you, your physical, mental and behavioral health, treatment and diagnosis, and other information related to services rendered by Boys Town (such information is collectively referred to herein as "Your Information"). Your Information may be in the form of a medical record, a client record, a combination of these or another type of written service record. "Protected health information" is Your Information, including demographic information, that may identify you and that relates to your past, present or future physical or mental health or condition and related health care services and is maintained by a covered entity or the business associate of a covered entity. Boys Town uses Your Information to plan your care, to provide treatment to you, and to provide other medical and non-medical services to you. Your Information is also used as a communication tool by the many providers at Boys Town and by insurance companies (when applicable) to verify that services we billed for were actually provided. Although owned by Boys Town, you do have certain rights with regard to Your Information. This notice will tell you about the ways in which we may use and disclose Your Information to others. It also describes your rights and certain obligations we have regarding the use and disclosure of Your Information.

HOW WE MAY USE AND DISCLOSE SERVICE INFORMATION ABOUT YOU:

YOUR RIGHTS REGARDING YOUR INFORMATION: You have the following rights regarding Your Information:

● **Right to Notification in the Case of Breach:**

We are required by law to notify you of a breach of your unsecured protected health information. We will provide such notification to you without unreasonable delay, but in no case later than 60 days after we discover the breach.

● **Right to Inspect and Copy:**

You have the right to inspect and copy Your Information that may be used to make decisions about your care. Usually this includes service and billing records. This does not include psychotherapy records. You must submit your request to inspect and copy Your Information in writing to either the Chief Compliance Officer for Youth Care or the Boys Town National Research Hospital Medical Records Director, depending on which division provided services. Our office may charge you a reasonable fee for copying, mailing, labor and supplies associated with your request. If we maintain Your Information electronically in one or more designated record sets and if you ask for an electronic copy, we will provide the information to you in the form and format you request, if it is readily producible. If we cannot readily produce the record in the form and format you request, we will produce it in another readable electronic form we both agree to. In addition to the costs described above, we may charge a cost-based fee for our staff to make the electronic copy. If you direct us to transmit Your Information to another person, we will do so, provided your signed, written direction clearly designates the recipient and location for delivery. All requests are subject to reasonable notice and reasonable time to produce the requested information. In addition, we may deny your request to inspect and copy Your Information in certain circumstances. If you are denied access to Your Information, you may request that the denial be reviewed. We will provide you, in writing, with our

reasons for the denial of access and with instructions for having a denial of access reviewed.

• **Right to Amend:** You may request an amendment of Your Information that we maintain. Such a request must be in writing and provided to our BTNRH Privacy Officer. A request for an amendment of medical information must be in writing and provided to the BTNRH Medical Records Director. In addition, you must provide a reason that supports your request for an amendment. If we deny your request for an amendment, you have the right to file a statement of disagreement that will become part of your service information. You will receive a copy of any response we make and any such response will become part of your service information.

We are required to agree to your request that we not disclose certain protected health information to your health plan for payment or health care operations purposes, if you pay out-of-pocket in full for all expenses related to that service prior to your request, and the disclosure is not otherwise required by law. Such a restriction will only apply to records that relate solely to the service for which you have paid in full. If we later receive an authorization from you dated after the date of your requested restriction which authorizes us to disclose all of Your Information to your health plan, we will assume you have withdrawn your request for restriction. To request restrictions, you must make your request to the Chief Compliance Officer for Youth Care or the BTNRH Privacy Officer depending on which division provided services.
