

HOPE *for the* HOLIDAYS

For the past seven years, our *Hope for the Holidays* campaign has provided gifts for over 1,800 of Boys Town North Florida's neediest children. We are currently looking for businesses, organizations, or individuals to sponsor 350 children for the 2018 holiday season to continue this campaign for children and families who received services from Boys Town during 2018.

How it works

Sponsors are paired up with a child (or children) and given paper ornaments with specific information about each child (first name, age, and wish list). These ornaments are intended to be hung on a tree or posted on a bulletin board. Sponsors commit to purchasing gifts for their assigned child by December 10. Gifts are delivered to the Boys Town North Florida office located at 3555 Commonwealth Blvd., Tallahassee, FL 32303 or arrangements can be made for pick up.

"Let us all join in making this the happiest Christmas season for ourselves by generous giving. We will thus all be repaid countless times in personal happiness."

— Father Edward J. Flanagan

What is needed from sponsors

- » Please tell us how many children you would like to sponsor. Some sponsors request to sponsor a "family." Ornaments will be delivered to you by Monday, November 19.
- » Purchase new gifts for each child and label them with child's name. We will provide the children's Christmas wish list created by each child to you. We also encourage gifts that promote family togetherness such as board games or craft projects.
- » The gifts can be delivered to the Boys Town office or our staff can pick up the gifts from sponsors on or before Monday, December 10.
- » For those of you with no time or desire to shop, we will also accept cash donations to be used to purchase gifts for the children. We will purchase the gifts on your behalf. Donations can be made payable to **Boys Town North Florida** and mailed to us, attn: Hope for the Holidays Campaign.
